EXPOSITION

Pays Âges Vézère

UNTIL
JANUARY 2026

DISCOVER
MANY OTHER
ANIMATIONS !

Your journey through
the heritage of
the Vézère Valley
starts here...

*An experience that takes you into
the heart of the Vézère valley*

The exhibition covers 400 m² over 2 levels

Experience the landscapes of
an exceptional valley, which bears the traces
of human occupation since over 400,000 years !

An *experience* Interactive

Eco-friendly

Educational

Fun

Participative

Progressive

Enter the « manufacture » of the landscape

How were these landscapes shaped ?

How are they inhabited ?

How do they evolve ?

What defines the « spirit of the place » ?

Program 2024

Find our full program on
www.pole-prehistoire.com

Thematic and creative workshops

(archaeological dig, archaeology, biodiversity, landscapes...),
stories, guided walks.

April – June and September - October :

9.30 am – 12.30 / 1.30 – 6 pm, closed Saturdays.

July-August : 9.30 am – 18.30 pm every day.

November - March :

10 am – 12.30 / 1.30 – 5 pm, closed Saturdays.

The Pôle d'interprétation de la Préhistoire welcomes you in the heart of the Vézère valley, labelled Grand Site de France.

It is a great place to understand and learn about the heritage and landscapes of the valley. The freely accessible spaces, spread over 3000 m², offer activities for everyone (exhibitions, educational workshops, media library, films and documentaries, conferences, shows, family activities), the Pôle is an invitation to enrich your stay and discover the prehistoric and cultural sites in the Vézère valley.
